In their free time, guests of conferences, trainings and events organized in the hotel can use **the Genesis Institute** - an intimate wellness center, focused on improving well-being, physical regeneration and long-term health improvement.

THE OFFER INCLUDES:

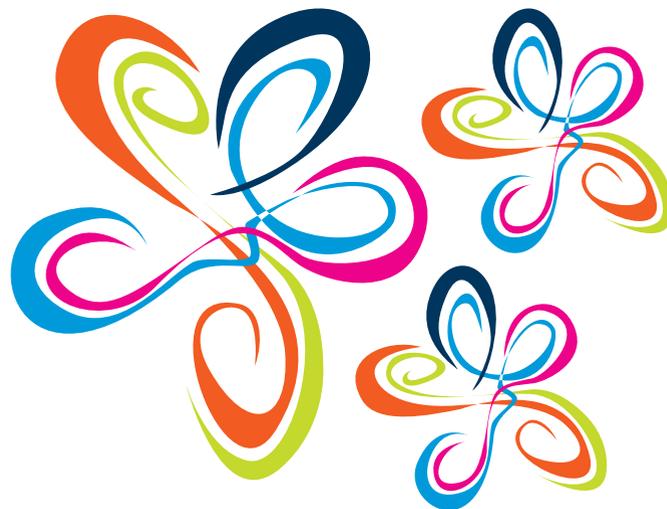

- COLLAGEN TREATMENTS AND RITUALS FOR THE FACE AND BODY
- MASSAGES
- BIOLOGICAL RENEWAL

Intensive treatments and rituals preceded by a cosmetology consultation are based on a proprietary cosmetic program. We work on the basis of natural BIO-cosmetics of the unique, luxurious brand **Baltic Collagen®**.

A training room available 24 hours a day, 7 days a week with professional Keizer and Olymp equipment.

The immediate surroundings of the hotel are perfect for outdoor activities. Right next to it, there is a two-kilometer-long Nadmorski Boulevard and the Tricity Landscape Park with many paths for cyclists and runners.

Additionally, it is possible to rent **bicycles** and **beach equipment**.

Bio-cosmetics

Genesis Institute offers a wide selection of treatments, ritual and therapies based on collagen, dedicated for the face, as well as for the whole body.

Our offer is addressed to the persons who take care of themselves, who are willing to have an active control over their well-being, appearance or condition of the skin.

Completely natural Baltic Collagen® cosmetics will effectively complement the collagen deficits, regenerate, provide nutrition and firmness to the skin.

Each of the treatments carried out is being preceded by a consultation with a cosmetologist.

**Our Treatments
are based with
the use of the
Baltic Collagen®
cosmetics.**

BALTIC COLLAGEN

BALTIC COLLAGEN® offers **100% natural products of high concentration of active collagen**. It works in two phases – at the level of epidermis as well as within the deeper skin layers.

The use of active collagen, the structure of which reminds human collagen, ensures maximum regeneration effect.

Only natural collagen obtained from skin of selected fish species has the most similar structure to the human collagen and **can absorb into the human skin**, retaining its active form..

Our activities use exclusively the original Baltic Collagen® cosmetics range which, fused with the **skills and expertise of the Genesis Institute staff**, constitute a perfect solution for any skin type.

COLLAGEN PROVIDES THE SKIN WITH:

- Firmness and moisture.
- Flexibility and stability.
- Elasticity, smoothness and healthy look.
- Resistance to fatigue and ageing processes.
